JUDGING

Across categories, judges will look for projects that best demonstrate the following characteristics:

- **Achievements and evidences of the project's impact:** number of beneficiaries, growth in range of activities, substantial evaluation, etc.
- **Employability:** Develop IT training and skills program that seek to respond and adapt to market needs and employers requirements and as such have a proven track record of enhancing job prospects.
- **Innovation and originality:** for example, has your project made innovative use of technologies to increase learning capacity, reach rural or remote areas, improve motivation, raise awareness on the importance of e-skills?
- **Partnership building:** Exemplary partnership between organizations, public agencies, private companies, employer bodies, etc. has helped improve project impact and benefits to all involved.
- **Community impact:** Positive impact on society in terms of awareness, education, accessibility, gender equality, etc.

All entries should be sent to:

Yanne Courcoux, General Secretary, The European Alliance on Skills for Employability, at secretariat@employabilityalliance.eu

The Awards ceremony will be held in:

Brussels on 22nd November 2011

For further details of this event, please send an email to secretariat@employabilityalliance.eu

Your details will not be passed to any third party and will only be used to keep you informed of the Skills for Employability Awards.

ENTRY & JUDGING PROCEDURE

The completed entry form with any supporting evidence should be sent to the organisers as set out above. Each entry will be read and evaluated by a panel of judges and collective scores combined.
